KENOSHA HOUSEHOLD HAPPENINGS

LOVIN' OUR *Earth* IN APRIL

Connecting with Nature

Every Monday Afternoon

With the weather getting nicer, let's enjoy some time on the patio soaking up the sunshine, breathing in the fresh spring air and listening to the birds.

Going Green in the Garden

Every Other Saturday Afternoon

April is the perfect month to prepare our gardens for a beautiful bloom! Spend some time in the garden pulling weeds, raking, setting up bird feeders, and plot out where you want your flowers to go!

Earth Day Social

Monday, April 22nd at 2 PM

Happy Earth Day! We will be playing themed Bingo while listening to the soothing sounds of nature. Afterwards, stick around to enjoy a themed Mocktail and a dirt cup for dessert!

Global Yoga and Mindfulness

Every Other Sunday Morning

Stretch your body as tall as a tree, then move your arms in a circle to represent the Earth, and kick your feet up to reduce, reuse and recycle! We will be enjoying some earth day yoga poses to start our mornings!

Earth Trivia Happy Hour

Every Thursday Afternoon

We are celebrating another wonderful week at Azura with happy hour paired with a little Earth Day bingo! Enjoy treats, and learn a little about how you can go green!

Crafter's Corner: Embracing Nature

Every Other Wednesday Afternoon

What better way to show our love to the Earth than by using our garbage to create something beautiful? We will be making gorgeous floral centerpieces and sparkling suncatchers!

Spring Fling

Saturday, April 20th at 2 PM

We are welcoming Spring the best way we know how; with a party! Come enjoy mocktails, hors d'oeuvres, music, conversation cards, and (of course) lots of bright, beautiful, nature-inspired decorations!
